| | Success Community - When a client has worked with us to achieve mental and physical health, a stable living situation, and is committed to ongoing growth and development, that person becomes a member of the H.O.P.E. Haven Success Community. We seek to connect members of this community with ongoing support through mentors, opportunities for job skills training, and organizations in the community which provide counseling services for emotional healing. Members of the success community also have the opportunity to support each other with encouragement by sharing their stories of success at special events and even volunteering with outreach in the community. | 4,597 | | 0 |
