	Client Outreach - Our staff reach out to the homeless where they are living, we met over 1000 clients sleeping in areas not meant for people to sleep. We do outreach about 2 days a week. Handing out donated supplies. We also have volunteer groups from local churches continuing to do outreach for us every Saturday. We partner with several different organizations who do weekly outreach. They call HOPE Haven when their clients are ready to get off the streets. We have currently placed, helped keep over 350 individuals in temporary or permanent housing situations.
4b	(Code:) (Expenses \$27,197 including grants of \$0) (Revenue \$0) Client Transition - We navigate our clients through a path to mental and physical stability. We help those struggling to overcome drug and alcohol addictions to gain admission into detox, rehab, and mental health centers to become stable. We help others find transitional living. Then we move people from transitional living to supportive housing or help them find work and secure housing through traditional methods. in 2018 we made 1388 contacts with and on behalf of our clients for the purpose of helping them get to a safer more stable environment.
4c	(Code:) (Expenses \$ 27,370 including grants of \$ 0) (Revenue \$ 0)
TU	(Code:) (Expenses \$27,370 including grants of \$0) (Revenue \$0) Next Step of Hope - Mentoring Program - Once a client reaches some sort of stability, we find them 3 volunteers who agree to be accountability partners, mentors, and friends to our client. To do this we use volunteer resources in our community, local churches and organizations to find stable individuals who just want to step up to be a friend to someone trying to better themselves. This serves to multiply our team efforts by using volunteers to keep a closer eye on our friends seeking to move to better circumstances in life. They are our early detection method of knowing when we need to step back into a client's life to more aggressively work with them to prevent them from ever going back to their old habits. This is to help keep our recidivism rates lower. It keeps our clients moving in a positive direction and provides a support system when things don't go as planned. We are offering classes, events and training for our people in the Next Step of HOPE program.
